AGE RANGE

Dino Dig

Avery Adams

3-5 years

An exciting sensory experience that will incorporate learning about some of God's biggest creations, Dinosaurs! With crafts and daily fun topics we will familiarize ourselves with different kinds of dinos and what it looks like to be a paleontologist.

Colorful Crafts

Hailey Urano

3-5 years

In this camp, we will be doing crafts of the rainbow! Each craft will have a strong emphasis on color while not only using basic crafting supplies but also getting to explore some less common ones.

Cheer

Tiffany Willingham

3-7 years

Come express yourself at cheer camp! Activities will include chants, cheers, jumps, cheer-related crafts, tumbling, and dance. This camp is hosted by a cheer coach with experience teaching all levels of skill while ensuring a fun learning environment.

Can We Build It?

Leslie Hernandez

4-6 years

Join us as we explore different building materials from floating water blocks, marble runs, and cardboard boxes to bristle blocks, Tinker Toys, and even building our snacks. We'll examine and use various tools such as small hammers, nuts, bolts, and hand mixers. A week of building would not be complete without Jesus as the foundation and the cornerstone!

Exploring Art & Creativity

Jess Alvarez

4-7 years

There are so many ways you can explore art and we are going to approach a new one each day. Armed with the basics of color theory, different mediums, and a portfolio to fill, kids will embark on various art projects. This camp is where creativity will flourish as you work to discover your own unique style while guided through creating self-portraits, collages, and more!

Fizz, Float and Fly

Laura Hall

6-9 years

Join us for Fizz, Float and Fly—a hands-on science camp where your young scientists will dive into bubbly chemical reactions, engineer boats that float, and launch their own zooming balloon rockets and parachutes. Kids will ask questions, test ideas, and celebrate their discoveries in a mess-friendly environment.

CLASS IS FULL

Soccer**Spurs Soccer****6-12 years**

Join us as we hone our soccer skills in this fun outdoor camp led by a professional soccer club. We will have lots of fun incorporating games and drills to practice our footwork while also learning the foundations of sportsmanship. Worried about the heat? We get an indoor snack and game time and ensure that kids have access to ice water and shade while outside.

Robotics**Julia & Luke****8-12 years**

Has your child ever wondered how things are wired? What makes something move? Or been fascinated by the machines that we see in our daily life? Well then this camp would be great for them! Two former competitive robotics builders will come teach about the basics of coding, mechanics, materials, and building. The instruction will be centered around games and fun age-appropriate activities.

Cake Decorating**Suzanna Atarbekya****8-12 years**

If your kid loves baking, wants to try a new art form, or drools over sweet treats, then this is the camp for them! We will explore the art of making and decorating these fine confections. Taught by a professional baker and owner of Suzannas Sweets.

AGE RANGE

Under the Sea

Katelyn Spencer

3-5 years

From shallow waters to deep dark depths, we will learn about some of God's most unique creations! Each day will be filled with opportunities for dress up, sensory play, themed crafts, and we'll even sing some of your favorite kid songs about fish. So, if your kid may enjoy learning fun facts like Jellyfish don't have brains while also having tons of fun, then this camp is the one for them.

Sense-ational Art

Leslie Hernandez

3-5 years

Our little learners explore so much of the world with their senses, so why not create art that celebrates them? In this camp we will use touch, sight, smell, hearing, and taste to discover unique styles of art. Not only will they get to experience it but we will also encourage their creativity as they work to create 3 dimensional art. Our mediums will include things such as puff paint, bubble wrap, water, and clay.

What a Character

Michelle Dickerson

4-6 years

Join some of your favorite book characters for stories, snacks, crafts and more! We'll highlight character from authors Laura Numeroff (If you Give a Mouse a Cookie & more!), Eric Carle (The Very Hungry Caterpillar & more!), Mo Willems (Don't Let the Pigeon Drive the Bus! & more!), Jory John (The Bad Seed & more) and James Dean (Pete the Cat books) We can't wait to share some our favorite stories with you!

Sweet Treat Shop

Konner Patterson

5-7 years

A little dash of sugar and a pinch of salt, whisk into our marvelous bake shop where we will bake away the week. We will explore cookies, cake pops, cupcakes and more. Your camper will come home learning so much sweet stuff

Robotics

Julia & Luke

5-7 years

Has your child ever wondered how things are wired? What makes something move? Or been fascinated by the machines that we see in our daily life? Well then this camp would be great for them! Two former competitive robotics builders will come teach about the basics of coding, mechanics, materials, and building. The instruction will be centered around games and fun age appropriate activities. Every child will even go home with their own mini robot.

Ninja Camp**Ranae Del Mul****6-9 years**

*Hone in on your ninja skills as you learn how to kick and punch your way through ninja camp! With things like obstacle courses and fun games, your child will learn agility, self-defense, and cool moves. This will have a martial arts component and is taught by two taekwondo black belts. *Children will not spar with each other.*

Soccer**Spurs Soccer****6-12 years**
