YOUR GUIDE TO WHAT'S HAPPENING IN GRACE KIDS THIS MONTH

Big Picture Question

The Big Picture Question emphasizes an important truth from the Bible.

What did Jesus teach when He was on earth?
Jesus taught about God and His kingdom. He taught that all Scripture is about Him.

Scripture Focus: Matthew 5:16

We encourage you to work with your child(ren) to memorize this month's key verse:

In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven. - Matthew 5:16

This Month's Lessons

We encourage you to read these Scripture passages with your child(ren) prior to Sunday's lesson.

VOLUNTEER SPOTLIGHT

Pierce Willingham

GraceKids K-4th

How long have you been at Grace Church? I've been at Grace since I was 7, and I've been serving since I was 11.

What made you get involved in Grace Kids? I enjoy serving the Lord, and when I found out I had the opportunity to work in the Grace Kids volunteers, I was really excited, as I love working with children, and decided to help out!!

What do you like about serving? I enjoy building connections with the children, as I not only get to help them grow and have a good friend/role model, but I also get to lead them towards a relationship with God, and that truly is the most important part of this ministry.

Sweet or Salty? I would say sweet, I used to say salty, but I've had a change of heart recently due to ice cream saving the day during my wisdom teeth removal.

Beach or Mountains? I like the beach; the idea of a sunset by the beach with my friends and family is a dream I would love to have.

Early Bird or Night Owl? Night owl, I get busy during the night because in the mornings, I'm too busy trying to wake up to do anything.

Favorite way to spend a free afternoon? My favorite way to spend my afternoon is either going out with friends to hang out, or lying alone in my room listening to music while drawing or making music, and eating.
